## Principal's Message

As this school year draws to its close and my professional career comes to its end, as the retiring principal of Edith Rogers, I look back with pleasure and satisfaction at my years here in this school.

I have come to know many new people. Students, parents and staff have made me welcome. It is through my position and service in this school I have come in touch with you. I have formed new friendships and have created new alliances. We have shared this experience together. I have personally grown from my involvement with you all.

I THANK YOU, TEACHERS, for all your understanding partnership, skill and effort.

I THANK YOU, STUDENTS AND PARENTS for your cooperation and participation.

Whatever achievement we have made in Edith Rogers, we have made it together. Any success that our school has enjoyed was your success. Together we have made Edith Rogers a proud and famous place.

As I leave, my personal wish for each of you is that you continue to experience satisfying and rewarding successes in all your endeavors.

GOOD LUCK! GOD BLESS!

Mr. Koilpillai has been in Education as a teacher, curriculum builder, and an administrator for 45 years. He was born in India and taught in Ceylon, India and Ethiopia before coming to live in Canada.

He came to Alberta in 1960, teaching in Athabasca. He moved to Edmonton in 1965 and this year completes 23 years working with the Edmonton Public School Board. He worked as a teacher at Eastglen Composite High; as an Assistant Principal at Jasper Place, Ross Sheppard and Harry Ainlay Composite High Schools; and as a Principal at Avalon Junior High before coming to Edith Rogers on March 19, 1984.

In the past 4 years, Multicultural Week Activities have exposed the students and community members to a wonderful variety of cultures and the unique contributions which each adds to the Canadian way of life. Students who had not previously given much thought to their ancestry have had an opportunity to discover and develop a pride in their history.

He has continually encouraged students to strive for excellence, and has rejoiced with each successful achievement.

Mr. Koilpillai leaves a tradition of pride in one's heritage and pride in one's effort, a legacy we should all value highly.

In retirement, Mr. Koilpillai may quit attending school daily, but he will not quit working, giving more time to multicultural projects and other personal interests. Mr. and Mrs. Koilpillai will now have the luxury of more time to travel as well. We wish them good health, and many happy miles and smiles!

Whew! 1987-1988 was quite a year. We kicked it off with our Welcome dance and a whole new set of activities in place of western days. Remember the root beer drinking context and the orange pass? Our fundraising campaign selling magazines was very successful. In November we had a very special event. Edith Rogers hosted the first ever Youth Conference. It was a smashing success. In December we all rallied behind our friend Mr. Arca. Multiculturalism was another great event we had in this busy year.

A special thanks to all the people who helped put on committees. Without them this great year would not have been possible.

## Christmas Litany

The 1987 annual Christmas Lit was a great success with over one hundred students participating. Two mentally deranged escapees from a local asylum hosted two hours of non-stop hilarity.

# Multicultural Celebrations

## MURAL DESCRIPTION:

Students have planned out a collage of images which relate to successes by black people in different areas of culture: from music to sport; and from technology to social growth. The background evolves from a natural environment to a cityscape. Human forms and faces constitute the majority of the collage images. Part of it was modelled after the painting on the wall of the United Nations pavillion at Expo '86 in Vancouver.

Grade eight students initiated the project and having illustrated the mural on the library wall, they are using acrylic paint to complete it. This is a very large project to undertake and for many of the students, it is their first experience with acrylics.

About forty students will have worked on the mural by the end of the project under the direction of Mr. Ron Wigglesworth, the art teacher.

Jr. Band - Our Jr. Band of about 50 students took part in the Kiwanis Festival in April. They performed at Lee Ridge School and they took part in concerts at Edith Rogers. We look to this group for much success in the next years.

Grade 8 Band - The grade 8 band is a combination of two grade 8 band classes. It performed at concerts at Tipasken and Malcolm Tweedle Schools as well as our own concerts during the year. This band also performed at the Kiwanis Festival.

Sr. Concert Band - The Sr. Band was our most active band as usual. In addition to many concerts both in and out of the school, this band competed at Musicfest and at the Kiwanis Festival. Our annual band trip this year was an exchange with Cedar Hill Jr. Secondary in Victoria, B.C.. It was a treat to see a very lush, green area of the country that many of our students haven't visited before.

Jazz Band - This years jazz band performed at school concerts, at Musicfest and the Kiwanis Festival, and at two shopping centres. The year was finished off with a guest artist, Jens Lindeman, as featured soloist with the band. Mr. Lindeman got his start in the E.R. Music program and has just completed his B.Mus. degree in performance from McGill University in Montreal.

#### SHARPSHOOTERS AND "21" TOURNAMENT

Once again a very enthusiastic group of students took part in the annual "21" and "Sharpshooters" Tournaments this year. Over a period of two weeks students were arriving to school early each morning and were soon actively shooting "baskets". The competition as always was very keen!!!

The winners of the "21" Tournament were:

Grade 9	Girls	Anne Kay
	Boys	Bashir Abdi
Grade 8	Girls	Sandip Dhaliwal
	Boys	Tony Hawkins
Grade 7	Girls	Julie Birmingham
	Boys	Minh Ho

The "Sharpshooters" Tournament winners were:

Grade 9	Girls	Amy Larson
	Boys	Philip Chung
Grade 8	Girls	Sandip Dhaliwal
	Boys	Steven Dods
Grade 7	Girls	Stacey Mulcahy
	Boys	Jacyn Koski

## China Trip

This year the study travel group toured China for a total of fourteen days. There was a stopover in San Francisco for two days and then Hawaii for three days. Hong Kong was the highlight of the trip. The students thoroughly enjoyed four days of excellent shopping facilities and city tours. A train ride took them into Guangzhou (Canton) and they were able to catch a glimpse of life in the People's Republic of China. The travel group would like to thank the students and staff of Edith Rogers for supporting all their fund raising events. We hope that such tours become an annual event at our school.

During the months of April and May this year, 18 students from Edith Rogers and 19 students from Polyvalente Jacques-Rousseau in Longueuil, Quebec took part in a cultural exchange. We, along with our "twins", had many memorable experiences in Quebec, such as our first major league baseball game, our first ride on a "real" subway system called the Metro, our first try at such culinary delights as poutines (french fries with cheese and sauce). During their stay in Alberta, we took a tour of the city, skied at Sunshine Village in Banff, and braved the badlands in Drumheller. Good times and bad sunburns were had by all.

During the course of the exchange, many strong bonds were formed and friendships were made that will not soon be forgotten. Overall we gained a better appreciation and understanding of the French-Canadian culture, and we came to realize that we are all Canadians, no matter what language we speak.

## Grad'88

Mr. Koilpillai, Parents, Teachers, Guests, and Fellow Students,

Even though it seems as if we just met, it is time to say farewell as we go our separate ways. Over the past three years we have achieved many accomplishments, as we must continue to persevere to achieve our goals in life. As we proceed, our paths will lead in different directions, but we will always have the fond memories of those we schooled with in our hearts and minds. As we leave for highschool, we leave behind the teachers, students, and other staff members from Edith Rogers who have been a great factor in our learning process. Without the influence of these people and our parents, we would not be the young individuals that we have become.

Highschool is a big step in all of our lives. It is time for us to start making the ultimate decisions which will affect us for the rest of our lives. Whether we fail or succeed in life depends on us. If we make the right decisions, it will take us that extra mile.

Everyone has a contribution to make to life whether large or small, and in the next few years we will realize what that is. As we strive to be the best that we can be, we will encounter many hardships and receive many rewards.

Let us approach the next few years of our lives with open hearts and minds, so that the new information we receive may enable us to grasp a better understanding of the work around us.

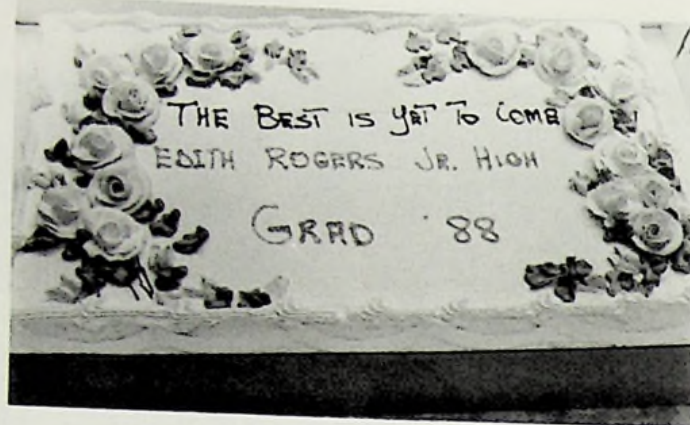

But before we say Adieu, let us give a round of applause to Mr. Koilpillai for his great influence in our lives, and wish him the best in his future endeavours.

Fellow Graduates, remember the best is yet to come.

Thankyou and Good Luck.
